COMMUNIQUÉ NATIONAL CROW CONTROL CAMPAIGN 2025

The National Parks and Conservation Service (NPCS), a department of the Ministry of Agro-Industry, Food Security, Blue Economy and Fisheries (Agro-Industry and Food Security Division), will undertake a National Crow Control Campaign from 15 September to 17 October 2025.

Crows are considered as pests causing much nuisance to humans, are potential vectors of diseases and pose a threat to our native biodiversity. On many occasions, the NPCS has been apprised by the public and private organisations of crow nuisance in different regions of the island.

The public is advised to register their complaints regarding 'Crow Nuisance' on the following contact details:

During Office hours **464-4053, 464-4471**

**After Office hours and weekends
(WhatsApp Numbers)** **52547848, 52568792**

Email: **npcs@govmu.org**

Detailed information regarding the place and time of sighting of crows as well as their feeding and nesting sites must be provided to facilitate the intervention of the NPCS.
