Introduction of MAUCAS Payment Facility on the SPS Information Management Portal

The Ministry of Agro-Industry, Food Security, Blue Economy and Fisheries wishes to inform exporters, stakeholders, passengers intending to carry plants and plant products abroad and members of the public that, with effect from **23 July 2026**, a new electronic payment facility through the **Mauritius Central Automated Switch (MAUCAS)** will be available on the **Sanitary and Phytosanitary (SPS) Information Management Portal (<https://sps.govmu.org>)**.

The MAUCAS payment option will facilitate online payments for services relating to the issuance of:

- Phytosanitary Certificates for the export of plants and plant products; and
- International Veterinary Certificates for the export of animals and animal products.

Users of the SPS Information Management Portal will be able to make secure and convenient cashless payments using QR Code and Internet banking.

Users are invited to avail themselves of this enhanced payment service through the SPS Information Management Portal as from **23 July 2026**.
